Language spoken in the Turkana District

The Turkana District is in northwest Kenya
Population: 855,399 (2009), or 2.5% of the Kenyan population

Listener responses to The Word Today *Turkana*:

- Letter: I love the program so much and am so blessed. I am trying to live right after a long time being in the world. I have lived both lives and I prefer living my life for the Lord.
- Letter: Please pray for my family, since my wife and I decided to follow Jesus and not going to traditionalist any longer, all we get is opposition from both sides of the family. I would like us to stay strong so that the others may also see that this Gospel is the truth. It is tough. Please pray for us.
- Letter: I thank God for Maata (The Word Today), were it not for the program I would not have known the Lord.
