

The Word Today Encouragement

Psalm 8: 4-5

Pastor Doug Schroeder

This is Pastor Doug Schroeder of The Word Today and let's have a word of encouragement from Psalm 8, verses 4 and 5. "What is man that you are mindful of him, the Son of Man that you care for him? You have made him a little lower than the heavenly beings and crowned him with glory and honor."

We can be afraid at a time like this where there is a disease that is ravaging the world that makes us feel small, kind of insecure and insignificant. We can worry that our life is so fragile. What is the meaning of our life amidst all of this potential for death and destruction? Does God see us? Is God paying attention to us?

We are reassured in the word of God that we are extremely important to him. We are made in his image and therefore we are the most important beings on this planet and the plan of salvation was devised intentionally in order to save us through Jesus Christ. God is highly mindful of our situation. Let's not think for a moment that the Lord is not aware of the dangers and pitfalls of this life. He has provided his Redeemer Jesus for us specifically so that nothing will separate us from the love of God in Christ.

Don't worry for the future, God has you secure. You are totally important to him, so much that he sent a Redeemer, Jesus Christ. He has your plan and your future in his hands, so take encouragement and know that your Lord God will look out for you for your eternal welfare.
